COTTON AND FIBER BRANCH MEMORANDUM NO. 8

Applicability of Branch Memoranda
issued prior to May 27, 1944

Cotton and Fiber Branch Memorandum No. 7, dated May 27, 1944, made several important changes in responsibilities, territory, and organization, but these changes will result in very few if any changes in functions, procedures, or operational instructions as they pertain to local field offices. It is believed, therefore, that instructions in outstanding memoranda, if interpreted in accordance with Branch Memorandum No. 7, can be used effectively without rewriting them.

With the understanding that interpretation will be made as indicated above, all Cotton and Fiber Branch memoranda of the numbered series except Nos. 1 and 2, will remain effective, except as modified by Memorandum No. 7 or later memoranda.

Memorandum No. 1, dated January 13, 1943, and No. 2, dated March 31, 1943, are hereby rescinded.

Regional Cotton and Fiber Divisions have been abolished (succeeded by Area Offices of the Branch). All Branch memoranda heretofore reissued as Regional Division Memoranda will be renumbered, if different from the Branch number, by striking out the Division number and substituting therefor the original Branch number. Area Managers will furnish the necessary information to each local office to effectuate the renumbering of these memoranda.
